About Me

I am a dedicated 1st-year B.Tech student at KIET Group Of Institutions Ghaziabad specializing in Computer Science Engineering (AI & ML). I enjoy problem solving, web development, and creative coding. My goal is to contribute to innovative AI projects.

Technical Skills

HTML   CSS   C Programming   Java   Problem Solving

My Work

Amazon Clone

Built a fully responsive Amazon clone using HTML & CSS, focusing on semantic structure and clean layout.

Netflix Clone

Designed a front-end UI/UX for a Netflix clone using HTML and CSS Grid for alignment and responsive layout.

Infosys Certificate

Completed the Infosys Springboard Introduction to Data Science course.
